Our Home Is Your Home

D L Hancock Ltd Funeral Directors are based in Oxford and Bicester.

We are still independently owned and family run.

The proprietor, Mr Darren Hancock, is proud to have established Bicester's oldest independent family owned funeral directors.

"Our Family Caring For Your Family In Your Time Of Need"

We are dedicated to carrying out a personalized service to meet the individual wishes of each family. Every detail is considered in planning the funeral for your loved one, so that we can celebrate the life of, and make the day a special day of remembrance.

Darren Hancock is the Funeral Director, assisted by Mr Simon Williams (Assistant Manager/Funeral Director), Mrs Helen Connor, and Mr Daniel Riley, who are all experienced caring staff, providing a dedicated and professional service to our clients.

Each member of our staff has been highly trained to deal with clients in an understanding and empathetic nature in times of great distress.

We were very honoured in 2017 to be awarded locally in Oxfordshire, best three business award showing our commitment to the community, we have always shown full transparency for our clients long before funeral directors were legally required to do so.

We have over thirty years experience in local funeral customs and pride ourselves in being able to provide a service of only the highest standards to families, from traditional funerals to eco funerals, green burials, non religious to all religious denominations, it is our promise to you that we are here to listen in your own time to your wishes, which will guide us to providing you with the service that you want, from a direct service to a bespoke service, it is our aim to go above and beyond your expectations, and show you that every attention to detail is very important no matter how big or small, we only have one chance to provide you with a service that is rated the best in our profession, and to which we would want to receive ourselves, so that we will do, just as we have been doing for the last three decades and more.

We take pride in our funeral home, in Bicester the site was originally a home, and still very much retains that feel, and in doing so offers comfortable surroundings in which to discuss arrangements with a tranquil peaceful ambiance throughout. Alternatively, we are happy to visit you in the privacy of your own home, at any time.
